

News from Accra, Ghana

Nov/Dec 2009

Greetings to you brothers and sister in the Lord.

Gen 12v1 God called Abraham to go out of his country and leave his family behind. During all his life, he walked with God faithfully – Gen 17v1.

3 weeks ago early one Sunday morning I received a phone call from the person in charge of the school where we have worshipped for the past 15 years. He called to tell me that the room we have been using is no longer available. God has called us to walk with Him by faith following His leadership and we look for a place.

We are encouraged by the examples of Joshua and Caleb. They encouraged Israel to be courageous Numbers 13-14. and not allow the situation to destroy their faithful walk with God.

As we were about to leave in a vehicle to another place of worship, a group of 10 men working in the area came to me asking for prayer and help to give their lives to Christ. Thank God for their lives.

I can see the presence of God when I see faithful sons and daughters of God worshipping in an open field.

Oh God, show yourself strong to us! We thank Him for all these times and what we go through, for God makes all things work together for good for those who love God Rom 8v28.

On the 14th November we had a very successful couples night entitled 'first love'.

Please pray with and for us:

- Funds to purchase the land we worshipped on the past 2 Sundays.
- Oneness in the Body at this critical time.
- Anointing on the Word and our individual and corporate walks with the Lord.

Thank you for all your encouragement and support these past years.

See great people and great work, not difficulties and impossibilities.

God bless you all in London.

By His Grace.

Pastor Calvary and Abigail Atamudzi
